rec'd 7 Sept 76

Sir,

Just thought I'd write you a letter to let you know what a lousy job I think you're doing, and how much I hate everything that you stand for. It's a pity that you'll never live to see the last days of your office. Next year at this time your family will be putting flowers on your grave. That's, of course, if your family's still alive. However, I'm not an unreasonable person. I would be willing to settle for a sum of money, let's say a hundred thousand. Not payable to me. It would be a donation on your part to the Nazi Party of America. They're not aware of this, so don't go making any undue accusations. That would be a sure way of signing your own death warrant. Think I over ~
